**18TH ANNUAL AGAT FOUNDATION CHARITY CLASSIC
KANANASKIS COUNTRY GOLF CLUB**

ABOUT US

AGAT Foundation is a natural progression of AGAT Laboratories' historical and ongoing participation in charitable endeavors for over 43 years. Our purpose is to unite people who share a common direction in building, creating and healing through both science and scientific technologies aiding in the betterment of society. We are committed to bridging the gap between industry, communities, and different scientific disciplines.

FOUNDATION PILLARS

These guiding principles tie into the Foundation's own pillars that uphold our values. These three pillars exemplify our commitment and objectives.

PILLAR 1

The Foundation focuses on re-investment of funds back into local community organizations. Areas of interest in this pillar include programs, scholarships, and support for both community and employee support needs.

PILLAR 2

The Foundation is committed to working together with industry, institutions, government, and the public sector to advance research and development in the area of health care and life sciences. A focus will be made on enhancing access to lifesaving support and state of the art medicine for all communities.

PILLAR 3

The Foundation aims to support various other charitable purposes with a key focus on organizations tied to relief of poverty, advancement of education, promotion of health and the environment, children and youth social prevention programs, and animal welfare.

AGAT Laboratories founding principles in its operations rely heavily on the lessons the Canadian Geese adopt in flight and these same values have been imparted on the AGAT Foundation in its use of the Geese logo. In line with the lessons of our Canadian Geese, we have learned directly that when people work together, with a common direction and values, we can reach our goals.

1ST LESSON:

People who share a common direction and a sense of community are traveling on the thrust of one another. Whenever a goose falls out of formation, it suddenly feels the drag and resistance of trying to go it alone and quickly gets into formation to take advantage of the lifting power of the bird immediately in front.

2ND LESSON:

If we have as much sense as geese, we will stay in formation with those who are headed where we want to go. When the lead goose gets tired, he rotates back in the wing and another goose flies point

3RD LESSON:

It pays to take turns doing hard tasks and share leadership inter-dependent with each other. The geese honk from behind to encourage those up front to keep up their speed. (What do we say when we honk from behind?)

4TH LESSON:

We need to make sure our honking from behind is encouraging, not something less helpful. Finally, when a goose gets

sick or wounded by gun shots and falls out, two geese will fall out of formation and follow him down to help and protect him. They stay with him until he is either able to fly or until he is dead and they launch on their own with another formation to catch up with the group.

5TH LESSON:

If we have as much sense as the geese, we will stand by each other like that.

AGAT FOUNDATION CHARITY CLASSIC

In 2016, the longstanding Don LaBerge Memorial Golf Classic joined forces with Golf for a Cure in memory of Janice E. Crist, to raise \$50,000 for Albertans facing cancer.

Together, these tournaments partnered with the Alberta Cancer Foundation to kick off the 1st Annual Alberta Cancer Foundation Golf Classic in 2017. With the help of our supporters and generous donors, over \$1.37 Million in net proceeds have been raised for the Patient Financial Assistance Program and Patient Navigator Program since the tournament's inception.

In January of 2022, the AGAT Foundation assumed the leadership role in hosting this very important event

and looks forward to continuing the legacy established by all in years past.

We invite you to join us on August 21, 2024 at the Kananaskis Country Golf Club, as a corporate partner, donor or foursome. Together, we have the power to change lives, one swing at a time.

ALBERTA CANCER FOUNDATION PATIENT FINANCIAL ASSISTANCE PROGRAM

Making life better for Albertans facing cancer. Every day, nearly 60 Albertans hear the words “you have cancer”. The Alberta Cancer Foundation stands alongside every Albertan who hears these words by offering three in return, “we will help”.

Continuing with the tradition of years past all Proceeds and Funds raised by the 2024 AGAT Foundation Charity classic will be on behalf of the Alberta Cancer Foundation (ACF) Patient Financial Assistance Program.

Through the generosity and commitment of our donors, we invest in people, ideas, and initiatives that push the pace of progress, ignite innovative research and implement leading-edge treatment. But that is not always enough. Cancer can be a huge strain on finances. People are often forced to cash in their retirement funds and use up their savings to make ends meet during their treatment. That’s why the Alberta Cancer Foundation also provides patients access to financial assistance to cover the out of pocket expenses for items such as medication, medical supplies, transportation, accommodations, and child care. In 2023, the Patient Financial Assistance Program was accessed 630 times by families across Alberta spanning 135 communities.

Thanks to our donors, patients and families are able to receive the financial assistance they need, so they can focus on what matters most - healing.

After last year’s event we received some exciting news from our friends at ACF:

“(...) thanks to the generosity of AGAT Laboratories, the AGAT Foundation and both of you, the Alberta Cancer Foundation has been able to increase our annual funding commitment to the Patient Financial Assistance Program by \$500,000, bringing our total annual commitment to \$1.5 million.”

Seeing the impact of our donation on the Patient Assistance Program is so exciting and motivates us to continue our hard work every year.

ALBERTA CANCER FOUNDATION APPRECIATION LETTER

RE: Patient Financial Assistance Program

Dear John and Marissa,

I am happy to inform you that thanks to the generosity of AGAT Laboratories, the AGAT Foundation and both of you, the Alberta Cancer Foundation has been able to increase our annual funding commitment to the Patient Financial Assistance Program by \$500,000, bringing our total annual commitment to \$1.5 million.

As you know, beyond the emotional and physical struggles a patient may face upon receiving a cancer diagnosis, the financial reality can be devastating. Travelling to treatments, time away from work, and paying for medications not covered by insurance can often leave patients choosing between their most basic needs. The Alberta Cancer Foundation's Patient Financial Assistance Program provides financial support to qualified patients to help cover some of their expenses to help ease their journey during this difficult time.

Unfortunately, the demand for Patient Financial Assistance is now at an all-time high. Thanks to your support, we were able to answer the call and boost funding to this critical program.

Simply put, this would not have happened without your support.

On behalf of the Alberta Cancer Foundation and all patients facing cancer, thank you for your leadership, generosity, and your commitment to help make life better for cancer patients.

Wishing you both a happy and healthy holiday season.

Sincerest thanks,

A handwritten signature in black ink, appearing to read "Wendy Beauchesne".
